

San Francisco Nature Education- School Volunteer Application

Thank you for your interest in San Francisco Nature Education, a not for profit organization that provides environmental education programs for Kindergarten through 5th grade in San Francisco public schools.

All students in our programs receive classroom visits and activities

We lead our k through 3rd graders on field trips to Golden Gate Park. We lead our 4th and 5th graders to GGNRA spots in San Francisco, including Land's End and Crissy Field. We focus on birds and habitat in the classroom and on our field trips.

Volunteers assist our staff during classroom visits and lead field trips.

We provide training for our volunteer naturalists.

For more information on our volunteer program, please visit our website: www.sfnature.org and click on Get Involved.

Please complete the application and return it by fax, email, or mail. We will then schedule an interview.
